

A DECADAL LEGACY OF DELIVERING QUALITY

The one-stop solution for your
Personal Care and **Cosmetic** need!

ABOUT COMPANY

Established in **2007** with the purpose to manufacture high-quality and certified products for a global customer base, **Azafran Innovacion Limited** has come a long way

Today, it is reckoned as one of the leading contract and private-label manufacturers in India, providing end-to-end, development to delivery solutions, for the FMCG and Pharmaceutical sectors.

Its dedication to delivering the best of innovation and products reflects in its **40,000 sq. ft. manufacturing set-up** and **100+ acres of farmland** in Ahmedabad, Gujarat (India). Furthermore, the harvest from this field, planted with the finest flora and herbage, also forms the foundation as ingredients, for many formulations; helping products be one with nature!
