

# The Perfect Collaborator for Pharmaceutical Formulations

# The Company

Established in **2007** and continually evolving over two decades, Azafran Innovacion Limited has come a long way in manufacturing certified, personal care products for a global customer base.

The company has revolutionised the way brands engage in getting their products made. Today, it is reckoned as one of the leading **contract and private-label manufacturers in India**, providing end-to-end, development to delivery solutions, for the **FMCG and Pharmaceutical sectors**.

Dedicated to delivering the best of innovation in semi-solid formulations, the company through its setup in **Ahmedabad, Gujarat (India)** has developed an array of dermatology and pharma-grade topical products.

# Philosophy

The company focuses on enhancing its capabilities to provide quality manufacture, by utilizing its strength in procuring better raw materials and turning them into batches of excellence with perfected and balanced formulations.

## Why Us?

The company, **Azafran Innovacion Limited**, extends reliability and promises an unwavering commitment to deliver quality, to their customers.

Formulation to Finish with the Technical expertise of the experienced and in-house R&D, and QC teams.

- Technologically advanced, Innovation inspired, State-of-the-Art Infrastructure.

Sustainable Manufacturing in compliance with Domestic and International regulations.

- Cost-effective Custom development on Ready as well as New formulations.

**110+**

Proprietary  
Formulations

**100+**

Area

# Quality Measures

Beginning with a rigorous check on every process and necessary step, we make certain that every product undergoes meticulous technical and technological scrutiny to determine its performance and stability, at our signature facility.

Manufacturing '**better life choices**', **Azafran Innovacion Limited** achieves its vision through a robust and qualitative support of

- Wet Chemistry Lab

Instrumentation section

- In-house Microbiology Lab

Packaging Material Testing Lab

- Stability Study (as per the ICH guidelines)

HPLC (linked to software for reliable data generation)

# Research and Development

With complete control over its entire value chain, **we instituted specialised departments/segments** in their entirety to assure consistency in the delivery of quality.

It is here that our experts ensure optimal monitoring and innovation through

■ **Formulation Lab**   ■ **Analytical Lab**

**The strong ideals and holistic actions of Azafran Innovacion Limited**; encapsulate the essence of its purpose; which then **gels perfection in formulations with finished products**, to suit a customer's request.

Therefore, the company, in particular, believes in parallel concentration towards other varied aspects of product manufacturing too.

■ Pre-formulation and Formulation Development

Analytical Development and Validation

■ Process Development

Cosmetic Formulation Development

■ Lab-scale and Feasibility Batch Manufacture

Product Specifications for Technology Transfer

## Legacy

**Azafran Innovacion Limited**, during the **15 years of its establishment**, till date, has maintained market leadership in developing products and has been a **pioneer** in providing unique solutions, for the **FMCG sector**. Its credulous efforts led the company to outgrow its own ambition and foray into the **pharmaceutical** industry; turning the challenges in manufacturing for this sector, into **opportunities!**

**ISO Class 8 Pilot Area**  
for trial batch manufacturing

**Dedicated Classified Areas**  
for Steroidal, Non-Steroidal,  
and Cosmetic products

As a leading manufacturer and committed partner for your pharmaceutical product development, **Azafran Innovacion Limited** is present with its customers at each stage, from **multifunctional Formulation to Filling, Packaging as well as Dispatch.**

We deliver custom solutions to ensure that every expected result meets the brand's benchmark!

And we do so by employing the following facilities for your requirements.

## Filling and Packing Lines

for **Aluminum, Plastic, and Laminated Tubes, HDPE / PP Bottles, Pump Pack Bottles, Dispensing Systems, as well as Sachets.**

## Bulk Manufacturing Lines

for **Non-Sterile Creams, Gels, Ointments & Lotions.**

**Synonymous with authenticity, Azafran Innovacion Limited is true to its core by furnishing value;** right from the choicest raw materials to the production of finished formulations, holding its purpose of quality to consumers, above everything else!

# PRODUCT LIST

| Name  | Category   | SKU                                 |
|---|--|-------------------------------------|
| 1 Triamcinolone Acetonide 0.2% Cream  | Corticosteroids                                  | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 2 Clobetasol Propionate (0.05%), Gentamicin Sulphate (0.1%), Miconazol (2%) Ointment  | Topical steroid with Anti fungal and anti biotic | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 3 Neomycin Sulphate 0.5%, Fluocinolone Acetonide 0.025% Cream   | Antibiotic with corticosteroid                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 4 Betaethasone Dipropionate 0.05%, Gentamicin Sulphate 0.1% Cream   | Antibiotics and steroids                         | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 5 Aclometasone 0.05% Ointment   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 6 Fluocinolone 0.01% Solution   | Corticosteroid                                   | 30ml, 50 ml                         |
| 7 Desonide 0.05% Ointment   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 8 Hydrocortisone Probutate 0.1% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 9 Desoximetasone 0.25% Cream  | Steroid  | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 10 Doxepin 0.05% Cream  | Topical antipruritics                            | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 11 Crisaborole 1% Ointment  | Phosphodiesterase inhibitors                     | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 12 Fluconide 0.1% Cream   | Steroid  | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 13 Triamcinolone Acetonide 0.025% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 14 Hydrocortisone Butyrate 0.1% Cream   | Steroid  | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 15 Amcinonide 0.1% Lotion   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 16 Diflorasone 0.05% Cream  | Steroid  | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 17 Tacrolimus 0.1% Cream  | Topical calcineurin inhibitors                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 18 Hydrocortisone Valerate 0.2% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 19 Aclometasone Dipropionate 0.05% Ointment   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 20 Prednicarbate 0.1% Ointment  | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 21 Betamethasone Valerate 0.1% Cream  | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 22 Tacrolimus 0.03% Cream   | Topical calcineurin inhibitors                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 23 Fluocinonide 0.1% Cream  | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 24 Halcononide 0.1% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 25 Betamethasone Dipropionate Augmented 0.05% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 26 Flurandrenolide 0.05% Cream  | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 27 Halobetasol Propionate 0.05% Cream   | Corticosteroid                                   | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 28 Ruxolitinib 1.5% Cream   | kinase inhibitors                                | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 29 Mupirocin 2% Ointment  | Antibiotic                                       | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 30 Luliconazole 1% Ointment   | Antifungal                                       | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 31 Clobetasol Propionate IP 0.05%, Salicylic Acid IP 3% Ointment  | Steteroid and Keratolytic                        | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 32 Clobetasol Propionate 0.05%, Neomycin 0.1%, Miconazole Nitrate 2.0% Ointment   | Topical steroid with Anti fungal and anti biotic | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 33 Terbinafine Hyderochloride IP 1% w/w, Benzyl Alocchol IP 1 % w/w Cream   | Antifungal                                       | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
| 34 Silver Nitrate 0.20%, Chlorohexidine Gluconate Solution IP 0.20%, Chlorocresol 0.12 % w/w Gel Base Solution                  | Antiseptic                                       | 30ml, 50 ml                         |
| 35 Betamethasone Dipropionate IP 0.05%, Gentamicin Sulphate IP 0.1%, Miconazole Nitrate IP 2.0%, Chlorocresol IP 0.1% w/w Cream | Topical steroid with Anti fungal and anti biotic | 5 gm, 10 gm, 15 gm, 30 gm and 50 gm |
